**Meg Muldoon : Malice in Christmas River: Christmas River Cozy, Book 4** before purchasing it in order to gage whether or not it would be worth my time, and all praised Malice in Christmas River: Christmas River Cozy, Book 4:

3 of 3 people found the following review helpful. Malice in Christmas River: A Christmas Cozy Mystery By Bertie Hightower I read all four of the books. As soon as I finished the first, I went out and purchased the rest. A "sweet" book to just sit and enjoy. There are characters to love and to dislike. The author did a very good job getting me from the first page to the last. 0 of 0 people found the following review helpful. Take a trip to Christmas River By Cheryl Collier Lercher Sit down with a cup of hot chocolate and settle in for a great cozy read. This is the fourth time I've put down an emotionally exhausting book to relax with a story by one of the best cozy mystery writers around. I hope you take the time to meet Cinnamon, Daniel, Warren and the myriad characters who live in and visit Christmas River. Others can expound upon all the reasons why Meg's books are so enjoyable. For me, it is enough that they are. 0 of 0 people found the following review helpful. I enjoy this series and while it's not a challenging read By Customer I enjoy this series and while it's not a challenging read, it has a good plot and you care about the characters. I've read a lot of these books in the series and will read more. I like to read them when I don't want a book with lots of violence or psychological twists.

Autumn has arrived in Christmas River, but frustration levels are at an all-time high for the small town's residents as an unseasonable heat wave plagues the central Oregon Cascades. Somehow, pie baker extraordinaire Cinnamon Peters has managed to stay above it all. Recently married, Cinnamon's been happily working hard at her pie shop all summer to help pay for her and Sheriff Daniel Brightman's upcoming honeymoon to Hawaii. All that stands between them and paradise is the upcoming Christmas River Rodeo. Then it's nothing but blue skies, tropical waters, and mai tai cocktails. But when a terrible accident occurs at the rodeo, Cinnamon realizes that getting to the honeymoon won't be so easy. Something sinister is going on in Christmas River. And Cinnamon soon discovers that it threatens to destroy everything she has.
